魔法使いの嫁

It's so much  
more pain  
than he was  
used to...  
I saw him...

And here I was  
wondering why  
you'd gone  
running out...

What're  
you doing  
to him  
now?

What's  
going on  
here?

Elia!

He's on  
the brink  
of death.

# 魔法使いの嫁

I asked her  
to read the  
story that I'd  
been writing.  
She was such  
a nice girl.

Oh,  
huh...

Her  
name's  
Chloe.

...?

since I've  
been able  
to talk with  
someone  
else.

When.

It's been  
so long.

Old  
man,

you don't  
have much  
time left.

In that  
case...

It wasn't  
a bad life.

I suppose  
that's  
all right  
with me.

Everyone's  
afraid of  
death.

But that  
doesn't mean  
you can run  
away from it.

Old  
man...  
Aren't you  
frightened?

Absolutely  
terrified.

But change  
wer't bad.

They  
saved me  
from the  
grief of her  
passing.

My wife  
pointed  
away at  
a young  
age.

Growing old,  
drawing closer  
to death... Of  
course I've  
soured.

Finding it  
harder and  
harder to read  
words, to grasp  
a poem, with each  
passing day.

Each night  
keeping me  
awake, wondering  
how things  
will change  
tomorrow.

I wish  
I could  
see it  
again.

but  
one day  
I beheld  
a night  
so beau-  
tiful.

Red  
perhaps it  
was a trick  
of the mid-  
day sun's  
light.

Strange,  
though.

To look so  
ill, with  
nothing more  
than food.

Really  
only has  
a week  
left?

...Does  
Joel...

...Mmm,  
I see.

So you met  
him while  
you were  
looking  
for me?

Mmm.

He's  
almost  
at his  
limit.

His life's  
been drained  
away, little  
by little.

Just  
about.

Just  
promise me  
that you  
won't strain  
yourself.

All right?

...Okay!

and mix in  
the essence  
of seasonal  
flowers.

Place an  
old gold coin  
in a bottle  
of spring  
water,

Five days,  
to be  
precise.

Faci's  
sake takes  
a while to  
complete.

Why is that?

But you only have a fifty percent chance of succeeding.

Even one night each on windowsills facing in the four cardinal directions.

One night in the light of the full moon.

You'll have to keep the valve stable using your magical power alone.

so you won't be able to rely on their help for this.

Faeries dislike being seen,

Do you still want to go ahead with this, knowing that?

You might not even be able to sleep.

And to do that, you'll need to stay by the bottle the entire time.

# 魔法使いの嫁

The Sorcerer's Bride

oh, a  
scent  
in the  
air.

there  
it is.

I can  
smell  
it.

the  
scent of  
a bless-  
ing.

I don't  
know...

Why does  
that happen  
when you're  
holding it?

I'm sorry  
I can't  
help you  
with this.

Cook

I can't  
help you  
this time.

You've  
got to get it  
stable before  
the moon  
waxing.

Sho

For some reason,  
I just can't  
muster the will.

It's not  
that I don't  
want to  
help you,  
but...

It's okay.  
You don't  
want to,  
right?

Come  
into.

Come  
into.

Come  
into.

Come then,  
another try!

Okay.

He's your  
familiar,  
but he's  
still fox.

This water  
will let  
mortals visit  
fairies.

and the fair  
folk instinctively  
steer away from  
things like that  
will put them at  
a disadvantage!

I can see  
hazy shapes of  
light flickering  
before me.

What I see  
is light.

I focus  
my gaze.

and then as I watch  
they shift to blue  
like the sea.

Green like  
the woods.

then bleeding white  
like the melting snow.

They blend  
with the color  
of the stars in  
the night sky.

That's what  
they call  
magical energy  
mana.

When I'm doing  
real magic...  
When I'm asking  
fairies for help,

they'll feed off  
of this energy  
and give me  
their aid.

But things  
are different  
like that.

There's no life  
out my back.

# 魔法使いの嫁

...what?

It's a  
good thing  
tonight's  
the full  
moon.

Even if I say  
something if  
I was about  
to die.

I don't  
trust you.  
"You'll be  
okay".

what?

what?  
you will  
die. you  
can see  
the full moon.

Death...

I mean  
die.

even  
you  
die. you  
die. you  
die.

blame...

But that's just how you  
show your  
affection,  
right is?

you're a  
sexy woman,  
and a married,  
and you come  
for me...

and  
you're  
still  
human,

what  
human  
supposed  
to be married  
and... that's  
not... that's  
not...

It's natural,  
and like  
breathing.

For your  
kind,  
being  
crazy  
is just  
a part  
of who  
you are

Everything  
I'm doing  
right now is  
purely for  
myself!

I guess...  
I'm scared,  
but at the same time,  
I'm not  
scared at all.

...And  
that's  
why I'm  
doing  
this.

I turn away  
from people  
who scare me,  
or hurt me.

I don't  
like being  
in pain.

It's such a  
selfish thing,  
really.

To keep  
myself  
just for  
me.

Did I want to  
do the people  
who smile  
for me...

It's like the  
things are  
moving  
my body.  
Things that  
can't be  
my body.

I'm  
screaming.

...I'm  
screaming.

I don't  
want  
to die  
alone.

...My parents arranged my marriage.

Death took her to his side before anything resembling love could bloom between us.

I haven't given you any...Gems...

But I've done nothing but take from you...

But her presence left me lonely.

I had nothing to live for, no reason to keep going. The only thing keeping me going were the roses - she'd left me

And even that was more like a matter-of-habit, something I did simply because I'd been doing it before.

Of course you have.

.. Maybe I'll  
go to be with  
my wife.

I don't  
know where  
I'm going.

I'll be  
with you,  
too.

But  
even then,

I want  
you to have  
this life of  
mine.

Now that  
I'm not alone ..  
Now that I  
have someone  
with me,  
I'm not  
frightened  
at all.

And  
that's  
why...

you  
said.

you never  
even let me  
see you as  
an enemy.

and then  
always have  
to have  
them  
go down  
like

because  
you're  
looking.

I'm  
going  
to  
be

I  
think

There's  
something  
wrong  
inside.

That feels  
like it's  
swelling  
a little.

What  
do you  
think,  
Elbow?

I don't  
know  
why.

I don't  
know,  
either.

But when  
I see you  
crying.

No, it's  
fine.

I'm sorry.  
I said I'd teach  
you about  
humans, but  
I'm a terrible  
teacher.

Okay.

You haven't  
had a proper  
night's rest  
in five whole  
days.

Now,  
let's get  
you to  
bed.

Save  
save.  
use the  
strength of  
heart.

and hope I  
find you soon,  
something you  
really want  
see too often

I heard  
the voice  
from within  
about a secret,  
so I decided  
to visit.

Oh, well.  
Of course  
I don't know  
why you are for  
it.

no, sorry  
about that,  
but you're  
what's left,  
with you?

and the  
possibility  
the human  
to make it.

the same  
is shown on  
the episode  
of human  
periods as  
a warning.

Looks like  
the vending  
on top was  
quite safe.

Oh,  
heard.

Chise!

Chise!!

It couldn't  
take the  
last amount  
of magic  
the body was  
producing.

...and so it  
always goes  
with these  
children,  
fragile as  
they are.

However,  
through in  
the past, they  
wouldn't stop  
producing. They  
wouldn't stop  
like this.

I know  
it would be  
harder for  
you to find  
him. But  
I'm sure  
you'll find  
him.

off with  
him. I'll show  
you. I'll show  
you.

you must  
be. I'm sure  
you'll find  
him.

off  
with  
him.

off  
with  
him.

when a word  
is spoken  
most of it  
and  
I'm sure  
you'll find  
him.

The Witch House

I don't want to stop flowing.

That one...  
...isn't.

I can hear  
the sound  
of flesh  
tearing.

Are you  
just going to  
stand there,  
child of  
thorns?

Come on,  
we should  
start going  
to the other  
side.

Come along  
too late in  
this world.

Huh?

But the  
land of  
flesh...

It's not like a  
monster, but it's  
not a monster  
either. It's a  
monster.

You shouldn't  
be up yet.

Hold still,  
I'll undo the  
bandage  
around your  
eyes.

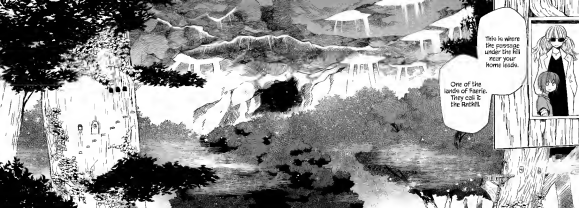

But I under-  
stand that the  
darkness must  
make you  
unhappy.

Your kind  
use magic  
even in the act  
of "seeing," so  
naturally I'd  
want you to  
"real" your  
eyes.

Where  
am I, P?

This is where  
the passage  
under the hill  
near your  
home leads.

One of the  
lands of Faerie.  
They call it  
the Arkhill.

I'm kidding  
you stable with  
that colored  
ribbon around  
your wrist,  
but it won't  
last.

There's magic  
circulating  
through your  
eyes, through  
your laugh,  
even through  
your heart.

And when  
the amount  
of magic your  
body produced  
increased what  
I could handle,  
your skin and  
wings bore the  
brunt of it.  
Move around  
too much and  
you'll reopen  
your wounds.

Thank  
you...

Here, drink  
this.

Tha...

The  
lands  
of...

...Fa-  
rie...?

it's good  
to see you  
haven't  
changed  
much.

welcome,  
elise.

Okay,  
we're just  
moving  
you over  
a little

This is my  
hospital.

I'm sorry,  
but do you  
know where  
Gaea is?

Um...

Some faeries  
can get sick or  
grow old, just  
like humans  
and animals.

It's my job  
to look after  
them.

WOW,  
I'VE NEVER  
SEEN ONE  
BEFORE!  
HE'S SO  
CUTE—

OWWW!

OH!  
A SLIMY  
MONSTER!

well,  
you,  
not.

I told you,  
patients  
come first.

Yeah, those  
three days  
sure are  
really been  
killing you.

well, I'm  
sorry  
about  
that.  
how  
lovely  
I've  
been  
without  
you  
monsters!

That was  
my first  
time!

Sorry  
about that.  
He's the  
grumpy sort.  
I know.

OOOH...

Don't  
you dare  
lay a finger  
on a patient  
in serious  
condition.

I'm making  
moonlight  
moonbeam  
soup  
for  
breakfast,  
so  
don't be late,  
okay?

You seem  
dislike my  
upbringing.  
I'm a realist too.

Like all  
of my kind,  
I'm naturally  
drawn to  
Gloria Vega.

It's cold  
and hot at  
the same  
time ..

Huh?

But  
even  
then,

I still  
hate  
you.

elias,

there's  
a blue  
vein.

you might  
be able to  
reach that  
mine, but  
what about  
elias?

slowly but  
increasingly  
appearing  
to the holy  
as well.

the world  
seems to be  
a person that  
belongs in  
the heart.

your  
wishes?  
that's  
under-  
stand.

BACK  
STRAIGHT.

EYES  
FORWARD.

*What  
I'd like  
for  
her...*

*Is for her  
to continue  
living as  
a human.*

you didn't  
suffer any  
signs of  
that fire

thing is,

even though  
you lost enough  
blood to kill  
you twice over,

But look  
just now.

You should  
back at me.

...

That's why  
your wounds  
refused  
to heal.

*Because  
I wanted  
you to  
live.*

I'm a doctor,  
so when you  
came to me  
I kept you  
alive.

There's no  
such thing as  
a doctor who  
would save  
their patients  
to die.

regardless  
of their own  
wishes on  
the matter.

# 魔法使いの嫁

but that's just treating the symptom, not the cause. try not to use magic, okay?

You could make do with exorcising like the one you had before.

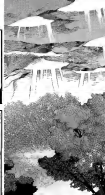

I'm sorry.

I missed you most five days straight without sleep. still in my sanctuary that's a record. I couldn't work.

Eat well and sleep well.

If you must, then rest afterward.

Okay, then.

See ya.

YOU REALLY LOVE YOUR BOSS. DON'T YOU?

Don't forget to take them and you'll shoot up like a rocket.

Uu Uu Uu

Sometimes to replenish your blood, red ore to strengthen your bones. Oh, and another hint to get some meat onto you. You're probably fit.

Here, it's not much but I'll hold you over for now.

Good-bye!

But...

So surprised that even I could tell what the emotion was...

and that's enough for me.

But you're still alive.

All right, we're almost out.

Sway.

We'll  
be out  
for a  
bit.

Take  
care of  
the house  
while we're  
gone,

It's so late in the morning,

I hope  
I don't  
ever need

too.

I was so  
surprised

garden all  
covered

looking

and then  
and then

I feel like  
I'll catch a  
cold. It's not  
supposed  
to be winter  
right after  
summer.

For tonight  
is the night  
of yuletide!

make ready  
yourself  
for the  
night of yuletide.

We're just starting our preparations for Yule, actually.

# 魔法使いの嫁

Well,

Do you know who those were...?

Good morning, Elias.

It's a very special day for us, and we've got a lot to do.

Either way, they go around like that, telling people to get ready for what's to come.

Some call them the heirs of Yule, but nobody knows for certain.

They always come around when Yuletide, the winter solstice, draws near.

Women.

The winter solstice? That's the longest night of the whole year, right?

It's seen as the start of the long cycle that is a year.

Once it's past, the days become longer and longer as the seasons shift toward spring.

Both  
holy and by  
make strong  
balloons of  
wasting

We should  
spread these  
around the  
house

Sam-  
hain?

We  
weren't able  
to observe  
Samhain this  
year, so we've  
got to make  
this one  
count.

I suppose  
you'd  
recognize  
the name  
"Halloween"  
better,  
wouldn't  
you?

I  
promise

.....

Viktor

... Promise  
you'll tell  
me if  
you start  
hurting  
anytime?

Oh,  
huh...

Hmm,  
where's  
Daisy?

I don't  
think I've  
seen him  
lately.

Okay

We'll be  
very busy  
today.

The green leaves  
and red fruit  
of holly stand  
for vitality  
and life.

Neither  
should be  
kept in the  
home for  
long.

And Ivy  
reminds  
the snake  
and the  
goddess.

I'd never  
mistaken up  
in the trees  
before, but  
I didn't know  
it looked like  
this.

Phew...

Okay.

I'll be  
getting  
down about  
two more.

Don't open  
your eyes.  
try not to  
make a  
sound.

Ellen—

My  
eyes are  
closed, but  
somehow...

I can still  
tell...

SKRUFF

...What is it  
that's drawing  
me?

And gods are forgotten  
because  
nobody knows  
what might  
anger them.

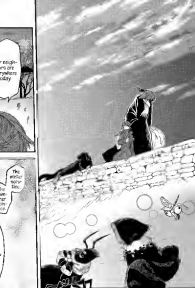

Those are  
the ones  
the demons  
spoke of.  
They're  
old, old  
gods.

Let's go  
home.

We've  
waited  
too  
long.

so I have  
nobody to  
see, and see  
if they agree  
with me.

There's  
absolutely  
nobody  
around who  
can see our  
neighbors  
too.

I think  
E. P.

to E. P.

..Though  
I think the  
light of our  
home are just  
as pretty

Techie does... that includes the rest of the full moon, doesn't it?

Guys

According to the old traditions, celebration would never end hanging until the end of May.

May looks for twelve days starting tonight, so we'll leave it there through the new year.

Really?

What a funny tradition.

Did you know? In some cultures, they say that if you stand under midnight with someone, you have to give them a kiss.

Would you like to try?

WHY?

皆さま  
おはようございます  
こんにちはこんばんは  
ヤマザキです

魔法使いの縁(ゆかり)を  
お手に取って  
いただきまして  
ありがとうございます！

人の外見で中身人外  
人外の姿で中身人間  
外見も中身も人外

好きな人はそれぞれ  
住んでいる村があり  
受け入れられない  
村や村人がいる

今頃久々に  
エリアスの人間関係が  
出てきましたが……  
相変わらず  
結構臭いですね！

しかしまあまあ  
気に入ってくれる  
人も多くて個人的に  
びっくりですが  
嬉しいですよ

それを踏まえて  
各々人外ジャンルを  
楽しめれば  
……と思います

私はもちろん  
人外と人間の  
コンビは最高村  
在籍です

現代を生きている  
人外にとって髪型は  
面倒を避けるのに  
不可欠な能力です

エリアスなんかは  
下手すると振り物で  
OKかもしれない  
ですけど

6巻は  
チセがじわじわと  
周囲の世界と人に  
目と手を向けていく

エリアスは  
そんなチセを見て  
どう思うように  
なるのか？

おそらく  
そんな巻です

そういえば  
最近人外と人間が  
メインのお話が  
わいわい増えてきて  
嬉しい限りです

しかし  
人外といっても  
いろいろな種類が  
います

それでは皆さま  
お次は  
6巻でお会い  
いたしましょう！

お楽しみに！

# 魔法使いの嫁 5

出張版

魔法使いの嫁5巻を  
お手に取っていただき  
ありがとうございます！  
ございます！

今回は  
蟻の妖精  
《ムリアン》に  
ついてです

ムリアンは  
英国の最も西側  
コーンウォールに  
伝わる妖精です

キリスト教が  
伝わる以前の  
先住民の魂とも  
言われていて

元は人間と  
あまり変わらない  
大きさだそうです

鳥などに  
変身し続けると  
最後には蟻になり  
消えてしまうのだ  
そうです

だからムリアンの  
いる地域では  
蟻を踏まないよう  
気を付けなければ  
いけないんですって

英国ではかつての  
古い時代の住民や  
巨人たちが  
妖精となっていて  
ことが多いです

北海道の  
コロボツクル  
みたいです
